ENGAGE @ Rodney Parade is our specialist EOTAS programme for KS3 and KS4 learners who need a different way to reconnect with education. We combine high expectations, personalised support and inspiring real-world learning within the unique environment of Rodney Parade.

Who we support

- Learners with disrupted attendance
- Young people affected by anxiety or EBSA
- Pupils with additional learning needs
- Learners needing a more personalised pathway
- Young people at risk of disengagement

What makes us different

- Small-group teaching and trusted adults
- Structured routines and relationship-led support
- Personalised timetables and next-step planning
- Blended face-to-face and digital learning
- An inspiring learning environment beyond the traditional classroom

What we do

REAL
PEOPLE
BRIGHTER
FUTURES

We deliver specialist EOTAS provision that combines ambitious learning, personalised support and real-world opportunity. Every learner follows a pathway that is built around need, potential and progression.

Literacy and Numeracy

Targeted teaching, diagnostic assessment and small-group learning designed to rebuild confidence and secure progress.

Wellbeing and Relational Support

Trusted adults, clear routines and a supportive environment that helps learners feel safe, regulated and ready to learn.

Blended Learning

Face-to-face teaching is strengthened by digital platforms, laptops and structured online learning where this best supports progress.

Qualifications and Progression

Agored Cymru, Essential Skills and personalised pathways towards GCSEs, college, training and employment.

Curriculum for Wales

Our programme is aligned to the four purposes and provides a broad, balanced and meaningful curriculum.
